We are a group of friends sharing knowledge, talent and learning. At one of our two stalls, we bring to you homemade sweet and savoury treats - Fritters, Brownies, Faluda and much more along with Mehendi designs to celebrate the day! Your voyage of culinary discovery continues... Delicious samosas, grilled sandwiches with an Indian twist and other culinary delights await you at our second stall. Once you have tasted our dishes, you will be addicted to them!

We are a Community Interest Company whose income goes back into funding our activities. We provide a range of community services, including community event resources and support through our Event Store. We support UK's diverse communities to identify needs and to develop sustainable community solutions. We offer the opportunity to try musical instruments and learn about the myths of different cultures, and offer the opportunity to purchase jewellery, small items of clothing, accessories such as bags and purses, etc.

Our group is made up of Chinese women whose aim is to promote Chinese culture to the wider community. We are proud to be associated with Positive Images Festival. At our stall, we will run workshops for the making of Chinese lanterns and arrange a demonstration of Chinese calligraphy. Don't miss our dances, which we will perform in dazzling costumes. Working for Carers Trust Heart of England, I help and support all Chinese carers within Coventry & Warwickshire.
